# COUNCIL

Suit For Injunction Commenced by County.

NEW ROAD TO RIVERSIDE

Opened by City is Part of Griswold.

On Monday night, March 6, the city street from Central avenue, on the south side of Griswold park, north to Riverside park, for use in getting to and from the new park grounds. The ordinance was properly signed and published and a committee appointed to condemn the property and open the street. This was the council's work, but Griswold park belongs to the county, and the county commissioners say no street shall go there. They have enced suit for injunction. The papers will be filed in the district court tostreet as located in the ordinance is on the property of the county and the value of Griswold park depends upon its availability for park purposes and its attractiveness. The street would be a detriment and of course binder the sale.

The ordinance locates the boundaries of the street as follows:

Section 1. That it is hereby declared necessary to open a public street from Central avenue north to Riverside park, and that the following described private property situated within the corporate limits of the city of Wichita be condemned and appropriated for that purpose, to-wit: Beginning at a point eleven hundred and minety (1199) feet west and forty (40) feet north of the southeast corner of the south west quarter of section seventeen (17) township twenty-seven (27) south, range one (1) east of the Sixth with principa meridian, thence north five hundred and seventy-five (575) feet, thence west seventy (70) feet, thence south five hunhred and seventy-five (575) feet, thence east seventy (70) feet to place of beginning, containing ninety-two one-hundredths (93-109) of an acre. Said property being on the east line of what is known as Griswold's or Shuman's park, in the city of Wichita.

The ordinance goes on to say that the opening of said street at said point is people of the city of Wichita as a means of obtaining ingress and egress to said Riverside park, which is a public park. owned by said city and situated within the corporate limits of said city.

And the mayor is hereby ordered and requested to appoint three (3) disinterested freeholders of said city to appraise and assess the damages for the property taken and appropriated under this pro-

### A Clever Trick.

It certainly looks like it, but there is really no trick about it. Anybody can try it who has Lame Back and Weak Kidneys, Malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to Liver and Kidneys, is a blood purifler and nerve tonic. It cures Constipation, Headache, Fainting Spells. Bleeplessness and Melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Elec tric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c a bottle at G. Gehring's

Plans were decided upon and arrangements made for lotted to the various schools and city departments was made. The trees will be planted under the direction of City Engineer Jackson and under the auspices of the Wichita Nursery association. It is expected that all of the departments of the city government, board of education and the scholars from every school in the city, as well as the citizens in general, will be present on Arbor day and assist in beautifying the new park.

Mayor Ross will issue a proclamation asking the business houses to suspend business during the hours from 2 to 4, so that every one may be enabled to attend the ceremonies. The schools will be closed during the afternoon.

The cost of the trees is normal, shade trees costing only 25 cents apiece, while the evergreens will cost 20 cents. The commissioners have requested the city de-partments and the schools to collect the mount necessary for the number of trees | rado. allotted to each and to pay the same to Mr. G. M. Dickinson, secretary of the board, not later than Tuesday. April 5, so that the trees may be secured. Handme blue prints have been made of the park by Assistant City Engineer Hendershott, which will be sent to each of the different schools. Any of the citizens who may desire to see the plat can do so by calling at the city engineer's office, the secretary's office in the Sedgwick block.

The program has not as yet been completed for the Arbor day exercises. However, if Judge H. C. Sluss returns from the west in time he will be asked to make the principle address of the day. day morning and last evening left for his Two bands of music will be secured and several other attractions.
